

2024 Church By-Law Change

Vote on the proposed church by-law change and our elder board slate a ahead of our June 2 meeting at lasallestreetchurch.org/elder-board-slate

We are proposing an amendment to our by-laws - to change the term of an Elder from being two years to three years. This change was approved by the Elder Board and would serve the following purposes:

1. Help create more of a sustainable training/learning curve for three new Elders to join each year, as three Elders rotate off, instead of having half (5 or so) Elders rotate off each summer with shorter ramp up/training time available.
2. Establish more time for mentoring Assistant Moderators and Assistant Treasurers, as key leadership roles, to be better equipped to step into lead after they've had time to walk alongside/learn from predecessor.
3. Solidify our commitment to have a sustainable and clear ask of lay elders, and to widen diversity of voices who can serve, maintaining a healthy rhythm for Elder Board meetings being only once per month, remotely/on zoom, for one hour.
